

# Veterinary Medical Director

## Lead & Grow a Premier Specialty Hospital

Join UC Davis' expanding veterinary center in Southern California. The new Janice K. Hobbs UC Davis Veterinary Medical Center Southern California will be seven times larger than our current facility, featuring a pharmacy and dedicated suites for radiography, cardiology, surgery, medical oncology, 24/7 emergency and critical care (ER/ICU), and nephrology/urology. In the first five years, we plan to expand our offerings with additional specialty services to meet the evolving needs of our patients and the community.
